THANKS TO YOU

Thanks to you who have given your blood, there are many American boys, who will come back to live in our country for which they have fought so bravely. The more blood is given the greater the number of boys who will come back. Have you been to the Blood Donor Center recently? If you've been putting it off because you're afraid or think you're too busy, STOP and THINK of the boys who are not afraid or too busy to fight for us. Giving blood takes less than two hours for which you are allowed official time. There is nothing to be afraid of because giving blood is painless and harmless. If you're not physically able to give, they won't take it. If

you can give, you lie on a cot, your blood pressure is taken and the blood is taken before you know it. If you have given blood, but not recently, won't you go again?

Agriculture's weekly average for three eight-week periods was as follows: April 29--66 donors, June 24--81 donors, August 19--59 donors. Your blood is urgently needed and we want our number of donations to go up instead of down during the next twenty-four weeks. Pick up your phone NOW, dial 3281 and ask Miss McFadden for an appointment. She will make all arrangements. Please keep that appointment. Some American boy, maybe a friend, relative or your husband will say:

THANKS TO YOU.

**AGRICULTURE POST NO. 36, AMERICAN
LEGION**

The Post has a good start toward its goal of 650 members in 1945, as 96 have already paid their dues and thereby have become eligible to participate in the drawing for 9 prizes offered by the Department of the District of Columbia, American Legion. There will be one \$50.00 war bond, one Legion uniform, and seven \$25.00 war bonds distributed among those who pay their 1945 dues on or before Saturday, September 16. Commander N. A. Pagnotta, room 1229 South Bldg., will be glad to take care of the details for you. New members are also eligible.

The Post is continuing its work at the Jefferson Junior H.S. where, on Saturday nights, beds are provided in the large gymnasium for the boys in the Armed Services who, otherwise, would find it difficult to get a place to sleep in crowded Washington. Post members are on duty there from 6 p.m. Saturdays until noon Sundays. Volunteers who can stay on duty for 6 hours, within the time indicated, will be most welcome. See Commander Pagnotta for further details.

AGRICULTURE PLAYERS

The Agriculture Players have begun rehearsals for "Johnny Draws a Horse", a three-act comedy which will be presented in the Auditorium late in October. The Players meet each Tuesday at 5:30 in the Auditorium.

AGRICULTURE BRIDGE CLUB

The Bridge League will open its 1944-45 season on September 13, at the home of Mrs. D. C. Stephan, 1355 Euclid St., N. W. Games will be held at the same place on the second and fourth Wednesdays of each month and the fifth Wednesday in November, January, and May. May 30, 1945 will be the end of the season.

Employees, former employees, and members of their families are eligible. There are also elected and associate members. You may join the club at any time, but in order to be eligible for the McDonnell cup you must play a certain number of games according to specific rules. For complete information, call Helen Cooper, Ext. 3164.

CREDIT UNION

Your Agriculture Credit Union has moved to room 2943, South Bldg. The Credit Union will loan money to its members for almost any purpose. The cost of borrowing money is substantially less than that charged by usual legal small-loan institutions. If you need a loan, go to room 2943 and apply for membership.

CORRECTION

The recorded music concerts at the National Gallery of Art, which we mentioned last issue, are held Mon. thru Fri. at 12:30. The 8:00 o'clock Sunday night concerts are not recorded. We regret the error.

WANT TO WRITE FOR THE PAPER?

FLASH! We got a bright idea, last night, while reading one of the recent best-sellers. It was sooo good we wanted everyone to know about it and read it, too.

So, here's the idea. How's about telling us about the next good book you read, be it fiction or serious. Here's your chance to be an honest-to-goodness book-reviewer and to get into print. Share your literary interests with your friends. Tell us why YOU liked the book. Don't make it too long. (Address your MS. to Employees' News Bulletin, P. R. & S., Office of Personnel.)

RUSSIAN WAR RELIEF

A one day drive for clothing for the people of Russia will be made on Sunday, October 1. There is an urgent need for blankets, towels, and clothing in wearing condition.

Clothes will be picked up at homes and volunteers are needed to help on the trucks that will canvas the city. Call No. 8906 to offer your services. Your assignment will be sent by mail.
